

Two-cylinder smoothness in a compact 18 horsepower...

20B Two Marine Diesel Engine

20B Two Marine Diesel Engine

Lightweight and Compact

The 20B Two has one of the smallest available envelopes in the Westerbeke line. This lightweight, low profile engine is designed to fit into the smallest of engine compartments.

Powerful and Reliable

The 20B Two is a powerful, two-cylinder engine rated at 18 horsepower. Specially engineered by Westerbeke, pioneers in marine diesel engines, the 20B Two provides consistent performance, durability and, above all, reliability year after year.

Easy Operation and Maintenance

To minimize engine maintenance, the 20B Two is fresh water-cooled and equipped with a simple control system. Easy access to all servicing points and a self-bleeding fuel system allow easy routine maintenance. The 20B Two is easy to install, economical to operate and has a full range of options available allowing you to custom tailor your engine.

Full Engine Instrumentation Option

Westerbeke offers an optional admiral panel. The admiral panel includes, tachometer, hour meter, volt-meter, water temperature and oil pressure gauge. Westerbeke also offers an optional captain panel with tachometer, hour meter, and warning lights.

The Name You Can Trust

The presence of Westerbeke in over 65 countries around the world provides customers with easy access to parts, service and technical support worldwide. Established in 1937, Westerbeke is committed to providing its customers with quality products and unequalled after sales support.

Standard Features
